The Greektown Chicago Strategic Plan aims to promote Greektown’s continued economic vitality while preserving its unique cultural character within the Chicago metropolitan region. Sponsored by Special Service Area #16, the Strategic Plan provides specific goals and recommendations regarding Greektown’s future business mix, streetscape and urban design environment, marketing and promotion activities, parking and transportation, and other development opportunities. In turn, the Greektown SSA also seeks to highlight the rich culture and history of the neighborhood, and make Greektown a destination for international, regional, and local visitors alike.

The Strategic Plan is developed by The Lakota Group, a Chicago-based planning and urban design firm, with assistance from Duncan Associates, Sam Schwartz Engineering, and the CLUE Group.
